

DEAR COLLEAGUES!

We invite you to participate in
XI International scientific conference
«Relaxed, nonlinear and acoustic optical processes
and materials»
(RNAOPM'2022)

Location

rest base “Hart” of Lesya Ukrayinka Volyn
University, Volyn' Region, Ukraine.

International Program Committee: R. Vlokh, co-chair, Ukraine; P. Trokhimchuck, co-chair, Ukraine; D. Shvalikovskiy, scientific secretary, Ukraine; A. Andrushchak, Ukraine; I. Baklan, Ukraine; I. Barchiy, Ukraine; Ya. Bobitskiy, Ukraine; V. Dorofeev, Russia; P. Fochuk, Ukraine; V. Holovatsky, Ukraine; A. Ivanov, Belarus; Ya. Kalychal, Ukraine; Ukraine; I. Kanatchikov, UK; O. Khyzhun, Ukraine; B. Kotur, Ukraine; S. Kostyukevich, Ukraine; Ukraine; O. Makhanets, Ukraine; O. Makarenko, Ukraine; M. Makoviychuk, Russia; Mudry, Ukraine; Yu. Yaremko, Ukraine; O. Kushnir, Ukraine; J. Jedryka, Poland; V. Maslov, Ukraine; B. Mytsyk, Ukraine; I. Olexeyuk, Ukraine; K. Ozga, Poland; M. Piasecki, Poland; M. Pietrzyk, UK; L. Piskach, Ukraine; Ya. Romanyuk, Switzerland; Ya. Rybicki, Poland; V. Shut, Belarus; A. Svidzinskiy, USA M. Vakiv, Ukraine; V. Yuhymchuk, Ukraine; V. Yurevich, Belarus.

Local Organizing Committee: H. Myronchuk, chair; V. Galyan scientific secretary; S. Fedosov, V. Holoviy; Gulay; A. Kevshyn; M. Khvyshchun; Yu. Kogut; Y. Koval; S. Lunev, O. Marchuk; T. Melnichuk; V. Nahod; V. Sakhnyuk; P. Shygorin; D. Shvalikovskiy; M. Skipalskiy; P. Trokhimchuk; A. Tretyak; O. Novosad; A. Shutovskiy; B. Venhryn; T. Yatsinyuk; D. Zakharchuk.

First Announcement

XI INTERNATIONAL CONFERENCE
“Relaxed, nonlinear and acoustic
optical processes and materials”

RNAOPM'2022

June 01-05, 2022

*Dedicated to the 60 anniversary of Nonlinear
Optics and 30 60 anniversary of Relaxed Optics*

Lutsk, 2022

REGISTRATION FORM

on the
XI International Conference
«Relaxed, nonlinear and acoustic optical processes
and materials»

June 01-05, 2022

Name of the author	
Academic degree, Academic rank	
Work (study) place	
The title of the Abstract	
E-mail	
Participation in the conference (poster presentation, oral report)	

All points of application must be required!

THE CONFERENCE WILL FOCUS ON THE FOLLOWING AREAS OF RESEARCH:

1. the relaxed optical phenomena and processes;
2. nonlinear and acoustic optical processes;
3. new materials for optoelectronics;
4. applications of the relaxed and nonlinear optical processes in technology, industry and education;
5. modern problems of theoretical and mathematical physics;
6. computer science and its physical applications.

IMPORTANT DATES:

15.04.2022 - deadline for submission of abstracts
15.04.2022 - deadline of payment of publication fee
25.04.2022 - II information announcement

01.06.2022 - registration of the conference participants

The participants are asked to send their extended abstracts, registration forms and scanned payment receipts publication fee (in separate files) at rnaopm2022@ukr.net

Note: After sending your registration form, abstract and scanned publication fee payment receipt, you will get our notification. If you do not receive the latter, please contact our conference coordinators at the emails below: rnaopm2022@ukr.net

PUBLICATION FEE

The publication fee for foreign participants is 10 euro for one thesis

REGISTRATION FEE

The registration fee for foreign participants is 100 euro.

The registration fee includes excursion in Lutsk, travel Lutsk - Hart, coffee break.

ABSTRACTS REQUIREMENTS

The abstract (maximum two A4 pages) shall be prepared in Microsoft Office Word and edited using the **guidelines** below:

First line gives **THE TITLE OF THE ABSTRACT** (centered, in capital letter, semi-bold 14 pts);

Next line **the name of the author** (first name, last name, centered, semi-bold 12 pts);

Next line – the author's place of work (study), email (centered, standard 12 pts);

Leave one empty line and the body of your abstract should then follow (full justification, standard 12 pts, 1 interval without hyphenation).

Leave one empty line and follow with **References** (centered, compiled in the order of cited works, 9 pts).

Margins: left-side margin 30 mm, other margins 20 mm.

The main text should be indented from left by 7.5 mm.

The abstract pages should NOT be numbered.
