The answers to the questions should be based on the student's own vision of the problem, if the results of other people's researches are used, its' authors and sources should be indicated. Communication during classes should be based solely on respect for respondents, regardless of age, gender, religion, race, political views. If on-line learning is held, students must use with the video mode.

Academic integrity policy. Zero write-off tolerance threshold.

Deadlines and retaking policy. Delays can occur if they are not regular and do not interfere with the lesson. Omissions of seminars with the possibility of working off are allowed in case of a student's illness. Maximum number of spaces allowed without justification causes – 3 testing are possible in a team discipline platform Microsoft Teams in the form of photos, videos, presentations.

V. Final Control

The form of final control is a credit, which is set based on the results of the types of work that are provided for in the syllabus of the educational component. Tasks from these types of current control are evaluated in the range from 0 to 100 points. The student can additionally pass the topics he missed during the semester (for valid reasons) in consultation with the teacher, thus improving his result by exactly the amount of points provided for the missed topics. In the event that a student received less than 60 points, he makes a credit during the liquidation of academic debt. In this case, the points scored during the current assessment are cancelled. The maximum number of points during the liquidation of academic debt from credit is 100.

VI. Grading Scale

Scores	Linguistic Grade
90-100	Passed
82-89	
75-81	
67-74	
60-66	
1-59	Fail (needed to retake)
